1 Scope of work
The holder of the Design Organisation Approval is entitled to design in accordance with the applicable type-certification basis, operational suitability data certification basis and environmental protection requirements as defined in Annex A.

2 Privileges
a) The holder of this design organisation approval shall be entitled to perform design activities under Part 21 and within its scope of approval.

b) Subject to 21.A.257(b), the Agency shall accept without further verification compliance documents submitted by the holder of this design organisation approval for the purpose of obtaining, as per 21.A.263(b):
   1. [not applicable]
   2. a type-certificate or approval of a major change to a type-certificate
   3. a supplemental type-certificate
   4. [not applicable]
   5. a major repair design approval

c) The holder of this design organisation approval shall be entitled, within its terms of approval and under the relevant procedures of the design assurance system, as per 21.A.263(c):
   1. to classify changes to type-certificate and repairs as "major" or "minor"
   2. to approve minor changes to type-certificate and minor repairs
   3. to issue information or instructions containing the following statement: "The technical content of this document is approved under the authority of DOA ref. EASA.21J.411"
   4. to approve minor revisions to the aircraft flight manual and supplements, and issue such revisions containing the following statement: "Revision No [YY] to AFM (or supplement) ref. [ZZ] is approved under the authority of DOA ref. EASA.21J.411."
   5. [not applicable]
   6. [not applicable]
   7. [not applicable]

3 Obligations
The holder of the Design Organisation Approval shall, as per 21.A.265:
   a) maintain the handbook in conformity with the design assurance system;
   b) ensure that this handbook is used as a basic working document within the organisation;
   c) determine that changes and repairs comply with applicable requirements and have no unsafe feature;
Terms of Approval 211.411

Aircraft Design Certification GmbH

Issue 8, 21/02/2019

d) except for minor changes or repairs approved under the privilege of paragraph 2(c), provide to the Agency statements and associated documentation confirming compliance with paragraph 3(c);
e) provide to the Agency information or instructions related to required actions under Part 21 point 21.A.3B;
f) [not applicable]
g) [not applicable]

Date of issue: 21/02/2019

Robert Boersma
Senior DOA Team Leader
